Freedom — Coming out from under the curses of Freemasonry.

Freemason Grade 12

Repentance & Decrees

I repent where I or any of my ancestors have taken up the mantles and title of Grand Master Architect in Jesus' name.

- I give up the mantles and title of Grand Master Architect.
- I resign from the Office of Adoniram and the Great Architect and I declare I willingly give up every demonic inheritance I received from this degree.
- I repent for pride and arrogance that went with this promotion.
- I release forgiveness to anyone in my bloodlines who sold out our generations by the various covenants and curses they agreed to.
- I repent for boasting in my intellect, for focusing on myself and my own self-development. I declare that I am nothing without Jesus Christ; only me in Him and He in me gives me any authority.
- I repent for seeking favour and the recognition of man.
- I repent for having fear of man rather than fear of the Lord. Father, I ask that you release the Spirit of the Fear of the Lord into my life and over my generations to come so that we will always honor and respect you as King of Kings.
- I repent for any building I or my ancestors have been involved with, where Masonry symbols have been sketched into the foundations or pillars and brought a curse on the land, the building and the people I repent for using the secret password of 'Rab-Banain'. I give back every benefit I received when I used that password in Jesus' name.
- I repent for whatever I or my ancestors did in the ritual of this degree with the great lights and the Book of Constitutions. I repent for taking up the mathematical instruments. I renounce the:
 - **Compass:** which taught me that life and time constitute but a point in the centre of eternity - according to Freemasonry standards;
 - **Parallel ruler:** which taught me to be consistent, firm, unwavering in mind and temper - according to Freemasonry standards;

- **Protractor:** which taught me to be upright and sincere, frank in all dealings, exact and punctual in performance - according to Freemasonry standards;
 - **Plain Scale:** which taught me we live not for ourselves but for others in this cult;
 - **Sector:** which taught me about multiplying good deeds so that bad things will not happen to me;
 - **Slide Rule:** which taught me to strive to grasp and solve great problems presented by the Universe.
- Father, I declare that You are my protector and my shield, not my good deeds.
 - I give up this false belief system of Freemasonry. I repent for selfishness and greedy ambition. I come out of alignment with these false patterns, in Jesus' name and I come into alignment with the book you wrote for me before the foundation of the earth. I come into alignment with the mind of Christ and the patterns of Heaven.
 - I repent for taking up and wearing the apron.
 - I repent that my bloodline has been built on a false foundation of the first 3 degrees of Freemasonry. I smash that foundation in my bloodline. I declare that Jesus Christ is the cornerstone and everything in my bloodlines will be built according to that truth.
 - I repent for agreeing to the curse of living a life of misery. I declare I and my future generations will live a full and prosperous life, full of abundance in Jesus' name. Thank you that the Blood of Jesus took over this debt that I owed and Jesus took the handwritten ordinances that were against me and nailed them to the cross according to Colossians 2. I ask that you dissolve every curse that I agreed to, that I signed my name to, where I fed an altar of covenant with my blood or DNA, in Jesus' name.
 - I call the guards to attention, who were strategically placed to look after the idols of Freemasonry in my bloodlines. I fire and release you immediately from your position of authority. I dissolve all contracts with you and my bloodline to watch and protect the way of Freemasonry. I strip you of your authority and power to

stand in the gates and protect the false way of Freemasonry. I call for the angelic to forcefully remove you from your position and I put up a 'Trespass Notice' against you in the spirit, in Jesus' name.

- I break the curse of chronic illness, prolonged misery, death and murder in my bloodline. I ask, Father, that You will destroy and burn the swords that are pointed at me and follow my bloodline to bring death.
- I insert the Hebrew letter 'Aleph' into the word 'golab' (which means exile) and that word changes to 'geulah' (which means redemption). I thank you that my bloodlines are redeemed from every place of exile, in Jesus' name.
- I repent for invoking the name of and serving the G.A.O.T.U and Lucifer as the great architect, in the mighty name of Jesus.
- I declare that the Blood of Jesus frees me from all the bondages of Freemasonry.
